

ISHINI ELLEWELA

Data Analytics & ML Intern Candidate

+94 78 953 5561 | ishiniellewela@gmail.com | github.com/I-Ellewela | LinkedIn: Ishini Ellewela

PERSONAL STATEMENT

Second-year Computer Science undergraduate at IIT (University of Westminster) with hands-on experience in Python, Java, and web development. Actively building skills in data analysis, machine learning, and React. Proven ability to collaborate in team projects and lead digital initiatives through AIESEC. Seeking a data analytics or ML internship to apply my technical foundation and grow in a real-world environment.

SKILLS

Programming Languages

- Python (NumPy, basic data analysis)
- Java
- JavaScript
- SQL

Web Technologies

- HTML & CSS
- React (Beginner)

Tools & Technologies

- Git & GitHub
- Linux (Command Line)
- Google Colab / Jupyter
- Visual Studio Code / IntelliJ IDEA
- Postman

CS Fundamentals

- Object-Oriented Programming (OOP)
- Basic ML concepts (classification, regression)
- Basic algorithms & data structures

Soft Skills

Teamwork & collaboration | Communication | Problem-solving | Time management | Adaptability

PROJECTS

LawConnect – Legal Services Web Application

- Collaborated in a team to design and develop a web platform improving access to legal services in Sri Lanka
- Contributed to UI planning, user workflow design, and feature structuring across multiple pages
- Applied structured development practices including version control with Git and team-based task division
- Strengthened skills in requirements analysis, research, and cross-functional teamwork

Machine Learning Exploration (Python / Google Colab)

- Implemented core ML concepts including supervised learning – classification and regression – using Python
- Worked with real datasets: data cleaning, exploration, and visualisation using NumPy and Matplotlib
- Applied scikit-learn for model training and evaluation; built understanding of train/test splits and accuracy metrics

Personal Portfolio Website

- Designed and built a personal portfolio using HTML and CSS, showcasing projects and technical profile
- Focused on responsive layout, clean UI structure, and cross-browser compatibility
- Deployed on GitHub Pages – accessible as a live URL

EDUCATION

BSc (Hons) Computer Science

University of Westminster – IIT
2024 – Present

Foundation Certificate in Higher Education

Informatics Institute of Technology (IIT)
2023 – 2024

ACHIEVEMENTS & CERTIFICATIONS

- Certificate Course in Web Designing – University of Kelaniya
- Certificate Course in MS Office – University of Kelaniya
- Diploma in English – Aquinas College

LEADERSHIP & ACTIVITIES

Social Media Manager – AIESEC

- Managed social media content and campaigns
- Contributed to branding and audience engagement strategies

Member – IEEE | Member – AIESEC

- Actively participated in events and teamwork-based activities
- Collaborated on multiple university group projects
